

Crosthwaite Show 2019

Unfortunately the Show Committee has had to make a decision to cancel this year's Show, scheduled for September 7th. The reason for this is that a number of the main organisers have some serious commitments, including health issues, which make it difficult to manage the workload involved.

However, the Show will of course continue to be a key feature of community events, and is likely to be rescheduled for late Spring/early Summer of 2020, at a date to be finalised later this year. The likely change of date has been suggested in response to a number of representations made to Committee members in recent years. The art and photography classes intended for this year will be rolled forward into the 2020 Show.

This decision to cancel this year's Show has been a difficult one, which has not been taken lightly and I hope people will understand. I hope this decision will not cause anyone too much inconvenience if you have already started any projects intended for this year's Show, and I apologise if this is the case - hopefully your efforts will not be wasted.

With new people having come to settle in Crosthwaite in recent months, the Committee would welcome anyone who might be interested in helping in a number of practical ways with the Show including liaising with families, the School and with any other village organisations in order to maintain the Show as an enjoyable and inclusive event for all residents of this village and beyond.

Please contact me if you wish to discuss anything concerning the Show and may I thank you for your support and understanding.
