

Crosthwaite Show 2025: 12th July

This is a date for your diary- so you don't go away that weekend and can plan for all the entries you decide to put into the Show!

Remember this event is open to all residents within the Two Valleys and also to others who work, study or play in our village. It is a great opportunity to get together and ensure this traditional village show remains an ongoing feature of what we do in these parts.

Details of the classes you can enter will be on the website and in the hard copy published Schedule which will be available in February to pick up from School, The Exchange, the Village Hall entrance and from any member of the Show Committee.

In the meantime a 'heads up' of what you can do:

- Get your sweet peas planted - and anything purple!
- Vegetables- try planting Swiss Chard - as well as the usual crops
- Men - start practising your favourite pudding- making that is, not just eating
- Make some marmalade and any other preserve you enjoy - and check how your damson gin is doing
- Watch out for Fat Rascals....?
- Painters and photographers: this year's topics are '*weather*', '*my best friend*' and '*local life*' - and watch the schedule for two new innovative classes
- Lots of classes for children: don't leave it all to the School - get creative at home.

More information will be coming your way over the next few months so make sure you take a look at the Schedule and make 2025 the year you give it a try and make the Show bigger and better!
