Proposal : two dwellings and footpath – outline application

Reply by : 19 August

There was some discussion on this application with some matters raised being shown following the proposal.

It was **proposed** that the Council objects to this planning application on the grounds that it will destroy the distinctive nature of Crosthwaite.

It is a green field site in open countryside, there are distinctive gateway views across the field towards Whitbarrow from the Millennium Cross and bench , the field is a separation of Crosthwaite Village and Church Town, the infrastructure is inadequate, the houses do not meet the housing needs of the Parish.

Vote – 7 in favour of the proposal

The Council **RESOLVED** to accept the proposal and asked the Clerk to write to LDNPA

c. 7/2021/5590

Location : Mireside Farm, Crosthwaite, LA8 8BT

Proposal : Alteration and extension to farmhouse, conversion of traditional barns into 2 dwellinghouses with local needs/holiday letting dual occupancy, erection of garaging in replacement of modern agricultural buildings and associated works.

Reply by ; 30 August 2021

There was some discussion on this planning application with matters raised being shown under the proposal.

It was **proposed** that the Council objects to this planning application

This is a totally inappropriate application in open countryside with 13 parking spaces. Housing Needs survey shows that the Parish has no need for holiday accommodation. It is not sustainable. It is not farm diversification. The Scale is excessive.

Vote – 7 in favour of the proposal

The Council **RESOLVED** to accept the proposal and the Clerk was asked to write to LDNPA.

Annual Parish Meeting

On 10 August 2021 between 7:00pm and 8:15pm the Parish Council held an Annual Parish Meeting on the single subject of the Neighbourhood Plan.

This meeting was held in the Argles Memorial Hall prior to a Parish Council Meeting. Chairs were spaced as much as possible, windows and doors open, and people asked to wear masks.

58 people signed in for the meeting (possibly a further 6 did not sign in) and 19 emails had been received prior to the meeting and were available for all to read. One further email was received later.

Cllr Mary Harkness (Parish Council Chair) introduced the meeting and spoke for approximately 10 minutes on where the Parish Council was with regard to the Plan and the process. This was followed by a presentation from Alan Gerrard on behalf of the Neighbourhood Plan Group outlining the work done to date and the ongoing process. This section of the meeting concluded at 7:25pm.

The floor was then open for discussion when between 17 and 20 people participated. On occasions Mary Harkness and Simon Johnson (Chair of the Neighbourhood Plan Group) answered questions rectifying mis-information wherever possible.

This open meeting as brought to a close by Mary Harkness by saying that the following Parish Council Meeting has proposals for consideration with regard to the Plan and the process .
